

Weary of Earth

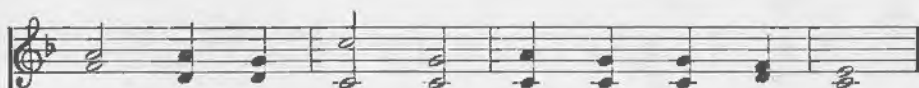

Langran. 10.10.10.10.

SAMUEL J. STONE, 1866

JAMES LANGRAN, 1862

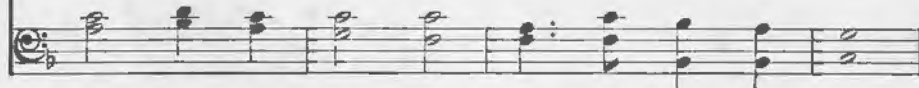

1. Wea - ry of earth and la - den with my sin,
 2. The while I fain would tread the heaven - ly way,
 3. Cease, rest - less will! thy lone - ly strife re - sign!

I look to heaven and long to en - ter in;
 E - vil is ev - er with me day - by day;
 I know too well how lit - tle strength is mine;

But there no e - vil thing may find a home,
 Yet on mine ears the gra - cious ti - dings fall,
 Grant me, dear Lord, Thy sav - ing love to see;

And yet I hear a voice that bids me, "Come."
 "Re - pent, re - turn; thou shalt be loosed from all."
 I strive no more; I give my - self to Thee.
